Who we are

We are 227 combat veterans dedicated to providing vital assistance and support for America's service members, veterans, and their families. Our members exemplify the best of America and represent the heart of today's VFW.

We are not the dying veterans' organization you may have read about, nor are we sitting in a smoky bar telling war stories. We don't even have a bar.

Our members range from 22 years old to 100, with an average age of 52.

We are a five-time All-American VFW Post, an award granted to the top 1% of posts worldwide. The Post also earned the 2021-2022 & 2022-2023 VFW Outstanding Community Service Award which is presented annually to 75 out of nearly 6000 VFW Posts worldwide.

Since July 2020, the post has completed 408 veteran, troop, or community service projects with a \$573,848.32 impact to the community we serve.

We are proud to proclaim that
**NO ONE DOES MORE FOR VETERANS
THAN THE VFW**

WHERE IN THE WORLD HAVE YOU BEEN?

You Belong Here As the nation's largest organization composed entirely of veterans who've served in a foreign conflict, VFW membership spans the globe with over 6,000 Posts worldwide. We're an elite group of proud veterans who continue watching each other's backs long after the fight is over. Camaraderie. Friendship. People who understand you. You'll find it all as a member of the VFW.

We support our brothers and sisters in arms, on the front line and here at home. There's a sense of pride in knowing that through your VFW membership, you're continuing a tradition of comradeship and advocacy that's more than 120 years old.

No other veterans organization can match the VFW's commitment to our nation's veterans and those currently serving.
